Harbor Christian Schools
Statement of Faith and Philosophy

The vision and mission of Harbor Christian Schools is rooted in the Christian world-view and way of life as revealed in creation and the Bible. We believe in one true God, manifested by the Father, revealed in His Son, Jesus Christ, and made real in our hearts and lives by the Holy Spirit.

We believe that honoring scriptural principles is central to our life purpose, therefore we aim to educate by integrating Christian principles with understanding of the natural world, human history, culture, and the arts.

We do not intend to replace the church or family in educating and shaping youth. We view our role as assisting them by providing a quality education and encouraging godly character formation. We aim to do this first by embracing Christ's call to love and serve Him and we believe this becomes evident in the world by our love and service to others.

We believe each student possesses unique gifts, strengths, talents and learning styles and as educators we seek to identify, affirm, strengthen and utilize these. We believe in modeling respect and maintaining a student's dignity as we provide a learning environment in which leadership skills, self-discipline, and interpersonal skills are developed.

We purpose to respectfully challenge our students to enhance problem-solving skills and reach their academic, social, and spiritual potential. In summary, our program seeks to integrate academics with opportunities for character development through Christian teaching as well as role modeling of Christian values and morals by staff.
